Women of the South Speak Out (WOSSO), is a consortium formed by Gender Links, ARROW and

Mannion Daniels to administer FCDO funding for Women's Rights Organisations in the global south.

Vision

A world in which the voices of women and girls from the global south, in all our diversity, inform the decisions and policies that affect our lives.

WOSSO will achieve its vision by

- Amplifying the voices of women and girls from the global south to advocate for our rights.
- Enhancing skills and knowledge for women's rights organisations to meaningfully participate in making change.

Values

- Collaboration
- Movement-building
- Intersectionality
- Challenging traditional power structures
- Centring lived experience
